

CHESTER COUNTY COUNCIL, BSA HORSESHOE SCOUT RESERVATION

LEAVE NO TRACE TRAINER PROGRAM

*"Leave No Trace is an awareness and an attitude rather than a set of rules.
It applies in your backyard or local park as much as in the backcountry.
We should all practice Leave No Trace in our thinking and actions--wherever we go"*

The principles of Leave No Trace have been recently integrated into many areas of the scouting program . . . from Cub Scouting to second and first class Boy Scout rank advancements, merit badges and many outdoor programs and activities. In addition, a new Boy Scout leadership position has been developed called "Leave No Trace Trainer". To help facilitate these changes, we will be offering the three day Leave No Trace Trainer course for both youth and adults during selected times of the year.

The classes will be conducted in the field throughout the day on Saturday and during an overnight backpacking trek to the HSR wilderness area. Upon successful completion of the course, each participant will be registered as a certified LNT Trainer with the national Leave No Trace office in Boulder Colorado. Class size is limited. For additional details and registration information please go to www.hsr-bsa.org.
